

Yeoval in-paddock weighing, does it pay?

Join Central Tablelands Local Land Services and Little River Landcare for a short session on the practical benefits of in-field weighing for cattle.

Can these new technologies improve:

- livestock growth and weight tracking
- livestock health
- on-farm decision-making.

Hear from farmers and experts:

- Farm host - Luke Kerin
- LLS Drought Hub – Brett Littler
- LLS District Vet – Emilee Johnstone

This event is supported by the Australian Government through funding from the Natural Heritage Trust under the Climate-Smart Agriculture Program and delivered by Central Tablelands Local Land Services, a member of the Commonwealth Regional Delivery Partners panel.

Date and time

Wednesday 4 November 2026
